Criteria for Applicants

1. Current enrollment in an Engineering or Engineering Technology curriculum accredited by the Accreditation Board for Engineering and Technology (ABET) or other accrediting agency recognized by ASHRAE. Students pursuing an associate degree in Engineering Technology need not be enrolled in an ABET-accredited program, but must be pursuing a course of study, which traditionally has been a preparatory curriculum for a career in HVAC&R.
2. Current or potential service to the HVAC&R profession
3. Need for financial assistance
4. Leadership ability
5. Character

IMPORTANT: The completed application, essay and an enrollment certification letter must be submitted in one package and postmarked on or before the application deadline before your application can be considered. Submit only one application. You will be considered for all scholarships for which you qualify.

I hereby agree that my misstatement or omission of any information requested in this application shall be valid reason for rejection of this application. In the event I am selected to receive the scholarship, I agree to attend the local chapter luncheon. The lunch will be free of cost to the award recipient. I also agree to submit a Thank You letter to the foundation prior to the release of scholarship funds. Scholarship funds shall be submitted to the Bursar's Office of the applicants school to be deposited into the applicants account.
