Dave Curfman
Mechanical Associate
Karpinski Engineering

Biography:

Dave Curfman is a Mechanical Associate at Karpinski Engineering in Uniontown, OH. He has 18 years of healthcare-focused design experience.

He has presented at numerous industry events including the Healthcare Design Conference and Expo.

Dave is passionate about crafting functional spaces that seamlessly align with an architect's vision. He places a premium on engineering design that not only advances aesthetic concepts but also serves the practical needs of a space.

Building Systems for Outpatient Healthcare

Presented by: Dave Curfman

Getting building systems right in outpatient healthcare can be complicated.

This presentation discusses what it takes to make your project compliant and properly suited to a specific patient care environment.

RSVP: Sean Lacey - Sean.Lacey@aircontrolproducts.com
Please RSVP by 12PM Wednesday, February 18th
